

Federal Flood Risk Management Resources

Resources Information

Agency: U.S. Department of Agriculture, Natural Resources Conservation Service

Resource: (USDA NRCS) DamWatch

Overview: Web-based dam monitoring tool helps NRCS project sponsors protect communities by providing real-time monitoring of 11,900 watershed program dams throughout the U.S. Alerts essential personnel when rainfall, snowmelt, and earthquakes threaten dams. Provides a one-stop source for critical documents, such as drawings, photographs and emergency action plans.
