

Federal Flood Risk Management Resources

Resources Information

Agency:	Federal Emergency Management Agency
Resource:	(FEMA) Risk Mapping, Assessment and Planning (Risk MAP)
Overview:	Risk MAP supports community resilience by providing data, building partnerships, and supporting long-term hazard mitigation planning. In particular, Risk MAP's Flood Risk Products work alongside regulatory products to provide flood risk information and support community's overall floodplain management and hazard mitigation strategies.
Funding Info:	<ul style="list-style-type: none">• Federal appropriation funding
