

# Federal Flood Risk Management Resources

## Resources Information

Agency: NOAA Office for Coastal Management

Resource: (NOAA OCM) Digital Coast

Overview: Partnership-driven website that provides user-focused data, tools, trainings, and case studies designed for coastal managers and practitioners, including, but not limited to, floodplain managers, emergency managers, planners, and natural resource managers. Digital Coast Partners include: American Planning Association, Association of State Floodplain Managers, Coastal States Organization, National Association of Counties, National Estuarine Research Reserve Association, National States Geographic Information Council, NOAA OCM, The Nature Conservancy, and Urban Land Institute. Digital Coast Partners are eligible for project funds.

Funding Info:

- Program availability is dependent on annual appropriations.
- Typical award amounts are highly variable and dependent on project objectives and scope.
- Cost-sharing expected through cash or in-kind contributions
